The Invisible War | Pastor Bill Bush

April 18 & 19, 2015

Last week we learned that there is an Invisible War and that the outcome has eternal implications. This week's Big Idea is that *our foe is formidable, and his goal is to destroy **us** and the **cause of Christ***. Begin your study by reading Jude, Chapter 9.

The Devil literally means "slanderer." Satan is called this because he slanders both God and humanity. What are some other names for Satan? What comes to your mind when you think of him?

What have you learned about how Satan attacks his people? How does he attack God's program and the church?

Satan has a plan. He has already lost the war, but he refuses to give up the battle. He will pick off the weak and isolated. Are you living by the Book? Are you living in community with other believers? Have you put on the "full armor of God." (Ephesians 6:10-18.)

"For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places."

Ephesians 6:12 (NLT)
