The Invisible War | Part 8

May 30 & 31, 2015

There is an Enemy who is cunning and powerful, but he is not the reason for all of our circumstances. Sometimes what seems like spiritual attacks are the consequences of our sinful attitudes and/or actions. And sometimes, like Paul, we come under attack for doing the right thing. Begin your study by reading Acts 19.

What areas of your life bring you discomfort? Unresolved anger? Association with those involved in the satanic, or other unhealthy relationships? Or the probing, hurting questions of the Lord which reveal the true you?

Paul was doing his job and getting attacked for it! It happens to you, and it happens to the Body of Christ! How have you come under oppression for knowing and living for Christ? How has the Enemy tried to thwart Rock Point's mission in the community?

It all comes back to Ephesians 6:1 – "Be strong." But we cannot do it on our own. Our victory comes through communion with Christ. When the Evil One says, "Who are you?" how will you answer?

*"...the evil spirit replied,
'I know Jesus, and I know Paul,
but who are you?'"*

Acts 19:15 (NLT)
